**Draft Asset Mapping Workshop**

Karen Dempsey has circulated a draft invitation to the Asset Mapping Workshop. She explains how the workshop will take place and she explains that she sees it as a workshop that this committee is inviting members to attend. Ms. Dempsey would like feedback from the Committee on the invitation itself, where it should be held and a list of who should be invited. With more discussion, it is decided that it should be held May 28, with invitations going out by Friday, May 8. The committee proceeds to list names or representatives of groups who should be invited. Ms. Dempsey would like to send out approximately 60 invitations with hopefully an attendance of 30.
