MINUTES OF LAST MEETING

Motion Carried

Riel d'Eon, Sewer Connection Application

Maurice d'Eon declared a conflict.

A sewer connection application for Riel d'Eon was circulated. The sewer connection will be for a new single family dwelling which is more than 150 feet from the sewer main; the by-law requires committee review all connections over 150. West Pubnico Sewer By-Law, Part 4, Sentence 7 states: **“Council shall have no obligation to permit connection to any building more than 150 feet from the sewer main and shall review such requests on a case-by-case basis.”**

It is moved by Lindsay d'Entremont, seconded by Floyd d'Entremont to approve the application for connection.

Motion Carried

Other Business

Committee members had concerns with the cutting of the highway when a connection is done. Can we drill across road instead of having the highway cut? Calvin d'Entremont will ask Lorelei Doucette to contact Horner, if it is possible to do, how it is done and the cost.

A motion was moved by Gus d'Eon, seconded by Aldric d'Entremont to adjourn the meeting at 11:50 a.m.

Minutes recorded by Chairperson, Calvin d'Entremont.
