Adoption of Minutes
Committee of the Whole Meeting Minutes – October 29, 2019
It is moved by Richard Donaldson and seconded by Roderick Murphy that the October 29, 2019 minutes of the Committee of the Whole Meeting be approved as circulated.

Motion Carried (8 in favour, 0 against)

Business Arising from the Minutes
Update for Road Construction
Memo updating Council on where we are with construction and explanation of cost of filling of the hole. Aberdeen has completed the work. Public road will provide access the back side of the lot for future development.

Grants to Organizations – Survey results
CAO Muise explained the details of the survey results. Staff received good feedback on how to move forward.
Yarmouth Splash Park Committee
Municipal Clerk gave date and time of the next Yarmouth Splash Park committee meeting.

It is moved by Lucien LeBlanc and seconded by Guy Surette that Councillor Albright sit on the Yarmouth Splash Park Committee.

*Motion Carried (8 in favour, 0 against)*

Public Road Concept Plan
CAO Muise explained the two drawings attached to this agenda. Previous approval for construction of the road but that did not specify how many lots are in the plan. Future development can change but the road design is unlikely to change. There are proposed community lots for affordable housing and that lot will be accessible after phase 1 is completed. CAO Muise explained that there is opportunity for Council to have a say in what types of construction goes on the lots with the land use by-law updated currently happening. Land is currently zoned as mixed use under the land use by-law. First step in making lots available is putting out an RFP for affordable housing. One of Council’s long-term priorities is to increase alternative and affordable housing so that development will have priority.

CAO Muise estimates that the RFP (or expression of interest) timeline as follows: December to begin the work and as early as late January to present to Council for approval. The January timeline would not be for development to start but rather for Council to make decisions about applications for sale of land. The status of our revisions of the Land Use Bylaw and Municipal Planning Strategy may impact the timing of the document, as the revisions will clarify what is or is not allowable. Council agrees to discuss the lot plan and road plan at a future meeting. CAO wants clarity from Council on road construction and how the land is set up.

Attended the NSFM conference. Councillor Donaldson gave praise for the workshop that CAO Muise and deputy Mayor of Kings County put on at the NSFM Conference. The workshop defined what administration and council roles are.

Councillor Albright: Attended the Nakile meeting, recreation meeting where Public Health presented on child poverty rates in local area. Attended TIR meeting, and EMO meeting. Did FB live interview with Charlene. Attended the Newcomers supper, and the Remembrance Day service in Tusket

Councillor Murphy Jr. Nothing to report

**Warden’s Report**

**October 7** I attended Group of 9 Meeting re. Mariner centre expansion. Discussions on our future approach regarding other levels of government

**October 10** I attended Dr Appreciation night at Yarmouth golf and country. This event was organized by Yarmouth chamber of commerce, very well attended. An update by our new Doctor recruitment navigator, Rebecca Rose.

**October 16** Attended Nakile board meeting

**October 18** to 20. FANE Conférence and Annual meeting in Dartmouth. The discussions were all about how to feel secure and comfortable in our own language. This doesn’t mean French only, English speaking individuals can have a discomfort in a French speaking environment. There were group sessions with a lot of good ideas about how to overcome these insecurities

**October 22** Attended airport meeting

**October 24** Attended the Chamber of Commerce small business awards.

**October 28** LUB and MPS session with WSP October 29. Committee of the Whole

**Nov 1** Attended the last session of AIM, asset management workshop. Took place at fire hall in Annapolis.

**Nov 2** Attended Dining Among the Stacks at the Yarmouth library. This is an event organized by the library as a fundraiser for the literacy program. They have it every two years and it’s a very good fundraiser

**Nov 4** Met with Department of Municipal Affairs

**Nov 5-8** NSFM Fall conference

**Nov 11** Remembrance Day service in Tusket and Wedgeport

Warden Muise explained the details of the Simply Cast workshop he attended at the NSFM conference. Suggested that Council investigate services provided by Simply Cast. Also had an inquiry from Acadian Affairs about the translation of our website including minutes and by-laws/policies. Possibility to have funding for this translation. Clarity needed about what needs to be translated. CAO Muise to get basic information about translation and will report back to Council.

It is moved by Glenn Diggdon and seconded by Calvin d’Entremont to have staff ask Simply Cast to give a presentation to Council so they can ask their questions.
Staff Report
CAO Muise briefly highlighted some topics of the staff report. Getting a lot of positive attention on the Net Zero building. Might be other funding model opportunities coming available. Briefly addressed rural internet issues. LUB/MPS planners from WSP will be visiting local communities this week. Awaiting final sign off on sale of property for Sea cucumber. Attending meetings to push forward the aquaculture agreement which would allow Argyle a pre-approval of certain locations, so developers won’t have to wait years for approval. When a developer wishes to do business, the location will already be approved which will mean that public engagement piece will happen before the development. CAO Muise will bring Council questions forward to the aquaculture meeting next week. Mention of future initiatives that will come to Council at a later date for consideration.
