Business Arising from the Minutes
Solid Waste Authority– 220kg fee exception
Deputy Warden Surette explained the response from the Solid Waste Authority. Waste park doesn’t have the ability to give an exception. It is up to the Municipality to offer the
exception. Councillor Diggdon would like to see an exception of 1500kg once a year. Consensus from Council is that it would be too hard to monitor and track an exception.

**Rising Tide Project**
CAO Muise explained highlights of the project that was presented at last council meeting. It is up to council to decide how they want to proceed with this project. The cost of this project does not allow it to be approved without going to tender. All in agreement that our website is lacking. More information is needed for council to make a decision either way. Council wants to see where this project fits with the budget.

This item was tabled to a future date.
