*Motion Carried (6 in favour, 0 against)*

Crosswalk Request
CAO Muise presented a letter from Inshore Fisheries requesting a crosswalk on the Dennis Point Road across from their fish plant. He noted that Inshore Fisheries had sent a letter in 2010 requesting a crosswalk next to their fish plant due to the increased traffic in which Council had rejected based on the TIR requirements and the associated costs. He noted that they were requesting a crosswalk again due to the increase in traffic since that time.

It is moved by Danny Muise and seconded by Glenn Diggon that Council request the Department of Transportation and Infrastructure Renewal to investigate the installation of a crosswalk on Dennis Point Road.  
*Motion Carried (6 in favour, 0 against)*

Building Committee Location Recommendation
CAO Muise began by providing Council with a brief background of the building committee’s mandate and reminded them of its members. He followed with a review of
the proposals that the building committee evaluated and the two options in which they had requested more information; scenario 1, PID# 90307032 – property owned by Tusket Wipers Limited and scenario 2b, a consolidated option of PID# 90087263 and PID# 90087313 – properties owned by G and H Holdings Limited and a private residential owner.

He then explained the advantages and disadvantages of the two properties. He noted the advantage of an existing artesian well and septic tank on the properties in the consolidated scenario and the fact that one of the properties in the scenario was being donated. He did also highlight the disadvantage of having an existing residential home on one of the properties in the consolidated scenario, which would have to be moved.

He concluded by noting that the Building Committee’s recommendation to Council was scenario 2b, a consolidated option of PID# 90087263 and PID# 90087313 – properties owned by G and H Holdings Limited and a private residential owner.

Council discussed the Building Committee’s recommendation and asked questions regarding details of the properties, the potential impacts of the location on the design of the building and the process to follow to purchase the properties from the current owners.

**Letter of Support for the Western REN Rural Broadband Project**

CAO Muise explained that the Western Regional Enterprise Network was developing a project to improve rural internet in the area and that they were looking for support for the application. He noted that no financial request was being made but that they would be looking for funding at a later date that could be as high as $500,000.

Council discussed the necessity of internet and the importance of supporting their priority.

**Correspondence and for Information**

- The Yarmouth-Argyle-Barrington District Planning Commissions 2016-2017 Annual Report was circulated to Council. No action was requested by Council.
