Warden Danny Muise and Councillors:

A couple of years ago, Patchwork Pals decided to undertake making a quilt for the Congrès Mondial Acadien 2024. It would represent the villages in the Municipality of Argyle. A project you have already supported.

Volunteers from each village have stitched a block representing their area – East Pubnico, West Pubnico, Argyle, Sainte-Anne-du-Ruisseau, Abram's River, Quinan, Tusket, Amirault's Hill, Surette's Island, East Kemptville, Belleville, Wedgeport, Little River Harbour and Patchwork Pals.

It is almost ready to be hand quilted, and a permanent home must be found for the masterpiece. The committee would be very appreciative if the Municipality would accept to be the permanent home and host an unveiling when completed in the fall of 2023. Many stitches of love and collaboration have gone into this collage.

Enclosed is a sneak peek. It is not complete.

Awaiting a favorable reply, and more information to follow,

Carol Ann LeBlanc,
Committee member

Jeanne L. Doucette,
Patchwork Pals president
