Dear Mr Muise,

On behalf of Kemptville Bicentennial Society and as a member of the finance committee I am applying for a contribution from grant monies from the Municipality of Argyle.

Kemptville will be 200 years old in 2020 and the members of Kemptville Bicentennial Society and Village members are holding various events to celebrate this achievement and are trying to raise funds to do so.

We would appreciate any assistance to enable us to make 2020 memorable for villagers and neighbouring communities.

Thankyou for your consideration.

Yours Sincerely
Michael Allen

Community Grant
\$500.00

Michael Allen.
