Good day Eilidh.

Add this one to my grants , \$500.

Richard

**Subject:** District Community Grant

Hello Richard,

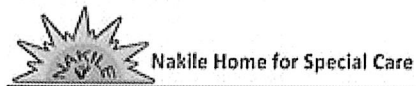

Nakile Home for Special Care would like to be considered once again for a district community grant. As a non-profit facility we are challenged with budget cuts and welcome additional sources of funding to allow for the purchase of new furnishings, equipment and renovations. We are currently raising funds to renovate one of our older dining rooms with new furniture, cabinets, flooring and window treatments. A district grant from Municipality of Argyle would help us to meet our fundraising goal for this project.

Thank you for considering our request.

Best regards,

Gail
