Dear Mr. d'Entremont;

The Pubnico Point Trail Association, a non profit organisation registered with the province as off April 5<sup>th</sup>, 2013, has constructed a walking trail around Pubnico Point.

The trail allows the residents of several communities in our municipality to enjoy exercise as well as the natural beauty of our coastline.

We are asking you, as our councillor, for a district community grant to help with the costs of maintaining the existing walking trail, signage and parking area. Maintenance will include adding gravel and paying for the appropriate equipment for the actual trail and parking area.

Any help is greatly appreciated.

Sincerely

Dennison d'Entremont  
Treasurer
