Dear Mr. d'Entremont;

The West Pubnico Athletic Association is a non profit organisation in your district of Lower West Pubnico.

The ball field in your district has seen an increased use during the past few years and provides exercise for people of all ages and is also an excellent area to train young dogs and allow them to exercise.

We are asking you, as our councillor, for a district community grant to help with the costs of a few projects and maintaining the washroom facilities during the summer.

Any help is greatly appreciated.

Sincerely

Dennison d'Entremont
Treasurer
