Dear Alain Muisse,

I would like to take this opportunity to thank you for the gift of \$500 to Junior Achievement of Nova Scotia for the delivery of JA programming. We are grateful and deeply inspired by your generosity.

As you know, Junior Achievement programs help Nova Scotia produce more financial literate graduates, with accelerated career tracks, and increased leadership potential. Because of your support, youth can participate in vital programs that promote workplace readiness, entrepreneurship, and financial literacy.

In 2018-2019, we anticipate the delivery of 790 programs. I am very pleased to report that out of all the provinces in Canada, Nova Scotia placed second for the number of programs delivered last year. That means more than 18,000 Nova Scotian students were impacted!

Simply put, our work would not be possible without your support.

Thank you for becoming such an important ambassador to youth. Your financial support is helping young people to achieve their potential.

Thank you for your partnership and your kindness.

Warm regards,

Shakara Joseph
