

Could you add this on the next meeting agenda. District community grant of \$500.00.
Calvin district 9

I would like to apply for a grant for the Seal Island Church to help with the ongoing repairs and upkeep on the Church.

It has been brought to ore attention that siding is missing from the steeple from a winter storm this year from visitors that was on the island in February. Also paint is needed for around the door, steps outhouse etc.

Sincerely
Ronna Kenney
