

Just some information on how Covid-19 has effected the products received since April 1st

- Residential Waste (curbside Pick up) +40.59 tonnes
  - Residential Recyclables (curbside Pick up) +81.05 tonnes
  - Residential organics (curbside Pick up) +54.28 tonnes
- 
- Commercial Waste -26.57 Tonnes
  - Commercial Organics -135.18 tonnes
  - Commercial C&D -147.88 tonnes

As you can see curbside pick up is way up and commercial drop off is way down.
