1.6 No waiver by any party hereto of any breach of any of the provisions of this Agreement shall take effect or be binding upon such party unless in writing and signed by such party. Unless otherwise provided therein, such waiver shall not limit or affect the rights of such party with respect to any other breach.

1.7 Time shall be of the essence of this Agreement.

2. TERM OF AGREEMENT

2.1 This Agreement shall be effective for each of the following Fiscal Years:

(a) 2021-22

(b) 2022-23

(c) 2023-24

3. DESIGNATION AND ACCEPTANCE OF STREETS

3.1 If the Municipality chooses to participate in the program and uses a petitioning process to determine which Village and Subdivision Streets will be cost shared under this Agreement, the petition must be completed prior to submitting the road list, as per the timelines noted in 3.2. If the Municipality requires a high-level estimate (i.e. dollar per kilometre (\$/KM)), the Municipality may request from the Province such an estimate to complete the petitioning process. Only roads that have a successful petition are to be submitted to the Province.

3.2 On or before October 31 prior to the start of each Fiscal Year to which this Agreement applies, the Municipality shall provide to the Province a notice stating if it intends to participate in the Paving program for the Fiscal Year in question, and if so, which streets it wishes to be considered for Paving.

3.3 If the Province receives a notice under section 3.1 or 3.2 that the Municipality wishes to participate in the Paving program for a Fiscal Year, the Province shall review the request and notify the Municipality of the streets the Province accepts for Paving and the anticipated cost of such Paving ("**Cost Estimate**").

3.4 Within 20 Business Days from the time of receipt of the Cost Estimate to the Municipality, the Municipality shall notify the Province whether it accepts the list of approved streets and the related Cost Estimate via the Notice of Acceptance document.

3.5 If the Municipality does not provide a notice to the Province under sections 3.1 or 3.2 by the specified times, it shall be deemed to be notification that the Municipality does not wish to participate in the Paving program for the Fiscal Year in question.

3.6 The parties acknowledge that the extent to which the Province can accept streets for the program in any Fiscal Year is contingent upon the amount of funding the Paving program receives for the Fiscal Year and the number of Municipalities that wish to participate in the Paving program.

4. ADDITIONAL WORK

4.1 If an approved street for the Paving program requires that the Province adjust manholes, catch basins or water valves, the Province shall make these adjustments as part of the Municipalities request for Paving (“**Additional Work**”). Additional Work will be undertaken at the cost of the Municipality for which it agrees to make payment to the Province. The Municipality will be invoiced by the Province at the standard unit price for the required Additional Work.

5. MUNICIPALITY’S OBLIGATIONS

5.1 The Municipality shall be responsible for acquiring, at its sole expense, all additional land required for Paving and Additional Work, including any necessary licenses or leases.

5.2 The Municipality agrees to indemnify and save harmless the Province and its officers, employees and agents from all liabilities, fines, suits, claims, demands and actions, of any kind and nature for which the Province or its officers, employees or agents shall or may become liable or suffer by reason of any breach, violation or non-performance by the Municipality of any covenant, term or provision hereof or by reason of any death or injury of any person or any damage or destruction of any property resulting from any act, neglect or default on the part of the Municipality or any of its servants, employees, agents, invitees or licensees whatsoever.

5.3 The Municipality must notify to the Province of their acceptance of cost overruns within 30 Business Days of receipt of the Cost Overruns from the Province.

6. PROVINCE’S OBLIGATIONS

6.1 Where the Municipality has accepted the list of approved streets under section 3.5 and the related Cost Estimate under section 3.4, the Province shall be responsible for tendering the Paving and any Additional Work and for all construction oversight and management of the Paving and any Additional Work.

6.2 The Province shall notify the Municipality in writing of any cost overruns in excess of ten (10%) percent of the Cost Estimate (the “**Cost Overrun**”) within 10 Business Days of becoming aware of such Cost Overruns. The Municipality shall notify the Province at its earliest convenience if they wish to proceed with the work based on the new Cost Estimate.

6.3 The Province shall provide the Municipality with statements of account for Paving and any Additional Work upon completion of the contract (the “**Statement of Accounts**”).

7. CONTRIBUTION AND PAYMENT

7.1 The Municipality shall pay to the Province, within 60 days of submission of accounts by the Province to the Municipality:
