

Memo

To: Council

From: Lori Murphy-Clerk

Date: November 10, 2020

Subject: Appointment of members for Accessibility Advisory Committee

In September 2018, the province released the Government of Nova Scotia Accessibility Plan. This plan outlines specific actions for achieving an inclusive, responsive, and accessible workplace for Nova Scotia public servants, and ensuring our services are accessible to all.

The role of the Accessibility Advisory Committee is to advise the municipal council on identifying, preventing, and eliminating accessibility barriers to municipal programs, services, and infrastructure.

We had a couple of committee members step down due to other commitments. The following applications from the public were recently received and approved by staff

Mona Doucette
Yvette LeBlanc

Proposed Motion:

That Council approve the applicants provided by staff to sit on the Accessibility Advisory Committee.
