Nicole Albright
Councillor, District 5

Dear Mrs. Albright:

I am writing to ask for a \$500.00 District Community Grant to help with our expenses as we are unable to get together; therefore, we do not collect weekly dues, during this time of isolation.

The insurance on our sewing machines and all content and monthly rent are expenses that the grant would be a great help.

We are continuing our work to help others and are very anxious to get back together, hopefully soon.

Thanks,

Jeanne L. Doucette
