Gordon Boudreau
3204 Hwy 334, Lower Wedgeport, NS

Dear Gordon

St. Michaels's Church is currently appealing to your generosity for assistance to meet the costs of current and capital expenditures. During the current pandemic of covid-19, weekly collections are not always sufficient to cover all day to day expenses as well as unforeseen expenditures, therefore it is important that funds be available for the ongoing administration of our church and parish. As a case in point, the roof on the north side of the church is a major project that needs to be attended to, hopefully in the spring or summer.

As I understand, each municipal councillor is allotted a certain amount of money that can be contributed to projects in the area that you represent. We are therefore appealing to your generosity to assist the church to cover the costs of such repairs. Your contribution will assist in the viability of our parish and will also ensure that the church will continue to provide the services required by the parishioners.

Please be aware that if your contribution is made by cheque that it's to be made out to **Notre Dame de L'Assomption** and sent to PO Box 327, Wedgeport, NS B0W 3P0. An income tax receipt will be issued at the end of the year for your contribution to our church. Kindly include name and civic address the receipt should be made out to.

Désiré Boudreau

Thanking you in advance,

Members of the St. Michael's Finance Committee:

Rosalie Murphy

Michelle Fevens
