

## MEMORANDUM

**TO:** Council

**FROM:** Alain D. Muise, CAO

**SUBJECT:** Updates on Cell Phone Improvements in Argyle

**DATE:** May 13, 2025

---

### Overview:

According to our local provincial representative, significant progress has been made on cellular infrastructure improvements across the Tri-Counties, with a total investment of \$69 million as of July 2024.

### Cellular Upgrades:

The first four of 27 planned upgrade sites are located in the Tri-Counties region:

- East Kemptville
- North Range
- Middle Ohio
- Corberrie

The expected completion timeline for these upgrades remains Spring 2025. A request for more specific scheduling details has been made, but a response is still pending.

### New Tower Construction:

In addition to the upgrades, 27 new cellular towers are being built. Notable sites include:

- Carleton
- Port Maitland

### Additional Information:

Maps, site locations, and coverage details are available at:
