CAO's Recommendation:

Recommend that Council approve the request for \$7,500, understanding that there may be additional requirements coming from the local committee should they not be successful in their efforts to fund their deficit.

Under normal circumstances, council does not fund the deficit of organizations. Nevertheless, the funds we hold in trust are specifically earmarked for events of this nature. These funds came from the \$82,475 profit from the Finales des Jeux de l'Acadie 2012. The minutes of their original transfer are included. In short, \$20,619 were set aside to offset future financial needs of an event such as hosting a provincial jeux event. They requested and already received \$7,500 from council. The remaining funds equal \$13,119.

Suggested motion:

Move that Council authorize deficit funding of \$7,500 and further authorize the CAO to issue additional funds totaling \$9,500 In support of the fiscal needs of the local committee for Les Jeux de l'Acadie.

Should the motion be accepted, there will be \$3,619 remaining for future projects.

MGA considerations:

Contributions to a non-profit organization are allowable under section 65 (au) of the Act.
