Financial Assistance

Would your child like to participate in a sport or recreational activity, but the registration costs are way too high for your budget? The Kids First Fund of Argyle is designed to assist children and families with the costs associated with sport and recreation programs. The objective of the program is to create opportunities for all children and youth, regardless of socio-economic background.

If you need assistance with a sport in Nova Scotia (soccer, baseball, hockey, etc) please use the [Kids Sport Application Website](#).

To apply, contact the Recreation Department at 648-3379 or click for a [Kids First application form \(701 KB\)](#).

The [Canadian Tire Jumpstart](#) program also offers financial assistance to kids. This national program can cover equipment, registration and/or transportation costs.

*Drop ins are **NOT** accepted. All children **MUST** be registered prior to drop off*

Registration can be completed through the online portal at www.munargyle.com/register, by calling the recreation department at 902-648-3379 or in person at the municipal office at 5 Rue J.E. Hatfield Court in Tuskent.
